has tough time storing relief material

ng relief material. It should be based," Santosh Badoni, under-ary, disaster management de-

partment, Uttarkahand, told TOI over telephone from Dehradun on Tuesday.

BAD WEATHER AFFECTING WORK

"We have food packets. But there is a problem of storage. It's raining here and we're unable to move the material to the right places because roads are damaged and airlifting can happen only when the weather is clear," Badoni said. According to him, the Uttarakhand government had asked for food

which could last for many days, such as biscuits and fried channa (Bengal gram). "All these have come in addition to raincoats, but helicopters can't do enough sorties due to bad weather," Badoni said.

BBMP TO DONATE ₹1 CRORE

The BBMP will donate Rs 1 crore for flood relief, a day's salary of its officials and one month's honorarium of all corporators, the council said on Tuesday.
