Quiz hosted by student

Participants

A Quiz on the theme “Chemistry in Everyday Life” held on 03/03/2026 was organized by Dr., Priya Kumari Paul, Assistant Professor, Department of Chemistry under DBT STAR college scheme with the objective of creating awareness about the vital role of chemistry in day-to-day activities and promoting application-based learning among students. The questions covered diverse topics including pharmaceuticals, food additives, cosmetics, environmental chemistry, household chemicals, and sustainable practices. The quiz competition was structured into three well-defined segments. The first and second segments comprised 20 questions each. The third segment included five objective-type questions that were based on a video presentation, designed to assess participants’ observational skills and analytical understanding. Overall, the quiz was successful in fostering interest in chemistry beyond the classroom and in highlighting its significance in everyday life. The programme effectively contributed to experiential learning and academic enrichment. **Mohammad Mubin** secured the First Position in the quiz competition.
