Quiz Competition

On

“National Science Day”

Name of event:- “Quiz competition on National Science Day 2026”
(Theme: ‘Women in Science: Catalysing Viksit Bharat’)

Date of event:- 6th March 2026

Place of event :- Seminar Hall (Room No. 407)

Organized by:- Quiz Club

Resource Person: Ms. Sony Samuel

Introduction:-

A quiz competition titled “Eureka 2.0” was successfully conducted on the occasion of “National Science Day”, on March 6th 2026. The program began with a brief introduction highlighting the significance of National Science Day, under the theme “*Women in Science: Catalysing Viksit Bharat*” to celebrate scientific achievements and highlight the contributions of women scientists to promote scientific awareness, curiosity, and appreciation for the role of science in national development.

Description: -

The quiz saw enthusiastic participation from many teams, who showcased their knowledge and understanding of the different fields of sciences. The event commenced at post noon 3:00 P.M in the Seminar Hall, with a gathering of students (UG and PG) and faculty members with enthusiastic participation from multiple teams. It featured two engaging rounds: a multiple-choice questions (MCQ) round covering general science topics and notable scientific

contributions, and a paragraph-based round that tested comprehension, analytical thinking, and interpretation skills. The competition created an interactive and intellectually stimulating environment, encouraging teamwork, discussion, and deeper understanding of scientific concepts, especially the achievements of women in science. Each team consisted of two students selected from various departments of life science, chemical science and BCA. Tharun R and Yogeshwar R- B.Sc final year students anchored the entire quiz competition efficiently.

Conclusion:

The quiz competition was a successful and enriching event that fostered scientific curiosity and healthy academic competition among students. It effectively highlighted the importance of women scientists and inspired participants to appreciate and contribute to the advancement of science and technology.

The event concluded with a vote of thanks who expressed heartfelt gratitude to the Principal, Vice Principal, faculty members, participants, volunteers, and the audience for their support and cooperation in making the event a memorable one.
