NATIONAL YOUTH DAY

12TH JANUARY 2026

On 12th January 2026, The Oxford College of Science organized an insightful career guidance program led by Mr. M. Irfat and Mr. Atif. The session focused on various global certification courses such as Chartered Accountancy (CA) and Cost and Management Accounting (CMA) in India and abroad. The experts provided valuable insights into the significance, eligibility, and career prospects of these certifications. They highlighted the differences between Indian and international certification standards, giving students a clear understanding of global opportunities. The session also covered the benefits of pursuing professional courses, industry demands, and the skills required to excel in finance and accounting careers. Students actively participated, asking questions and gaining crucial knowledge about career pathways. The program proved to be highly beneficial, equipping students with the necessary guidance to make informed decisions about their future. The college aims to conduct similar sessions to enhance students' professional awareness and career readiness.
